[OCSW BC09E99A Skills Bootcamp Live Events (oncoursesouthwest.co.uk)](#)

Master the in-demand skills to bring live events to life! Our 9-week, part-time Bootcamp equips you for a career in this exciting industry.

Course Description:

Launch your career in live events! This fast-paced boot camp provides a comprehensive introduction to the world of live event production. Learn everything from event logistics and budgeting to sound and lighting fundamentals. Gain hands-on experience with industry-standard equipment, develop your technical skills, and build a portfolio showcasing your talents. Benefit from personalised support with career development, CV building, and interview preparation. By the end, you'll be ready to impress potential employers and take your first steps into this dynamic field.

What Will I Learn?

- **Module 1: Introduction & Career Exploration**
  - Identify your career goals and create a personalised learning plan.
  - Gain a comprehensive overview of the live events industry and explore various career paths.
  - Define the scope of your final project and set SMART goals for the course.
- **Module 2: Event Logistics & Production Fundamentals**
  - Master event logistics and coordination processes through interactive activities.
  - Learn the fundamentals of budgeting for live events and explore resource management strategies.

- **Module 3: Fundamentals of Live Sound**
  - Gain hands-on experience with sound equipment and technology.
  - Explore the basics of sound engineering and mixing through practical exercises.
- **Module 4: Fundamentals of Lighting Design**
  - Understand lighting fixtures, control systems, and lighting design concepts.
  - Develop practical skills in creating lighting effects and atmospheres.
- **Module 5: Advanced Technical Production & Safety**
  - Hone your advanced technical skills in sound and lighting production.
  - Learn essential safety protocols and how to ensure compliance with regulations.
- **Module 6: Final Project Refinement & Showcase**
  - Participate in final rehearsals and refine your project for presentation.
- **Module 7: Showcase & Career Development**
  - Present your final project to industry professionals and showcase your talents.
  - Participate in one-to-one interviews with potential employers.
  - Refine your CV and interview skills with personalised coaching and support.

How Will I Be Assessed?

- A combination of coursework assignments, practical projects, presentations, and participation in group activities will assess your learning and skills development.
- Your final project will showcase your ability to apply learned concepts to real-world event production scenarios.

Who is this Course For?

This course is ideal for anyone passionate about the live events industry and seeking a hands-on introduction to kickstart their career. No prior experience is necessary.

Progression Opportunities:

- **Further Education:** Explore Higher National Diplomas (HNDs) or Bachelor's degrees in Event Management, Live Event Production, or related fields.
- **Apprenticeships:** Consider an apprenticeship program in Event Production or Technical Theatre to gain practical experience while earning qualifications.
- **Professional Certifications:** Pursue industry-recognized certifications in areas like sound engineering, lighting design, or stage management.

Career or Job Enhancement Pathways:

- **Event Coordinator**
- **Production Assistant**
- **Stage Manager**
- **Audio/Visual Technician**

How do I enrol?
To apply for this course online at www.oncoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713. You will be invited to undertake an initial assessment and additional skills scan to ascertain your levels of English and maths and previous experience prior to entry on this course of study.

How will the course be delivered?
This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?
You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?
During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?
Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:
You need to be 19 or over to do a Skills Bootcamp. For most Skills Bootcamps, you do not need to have any previous knowledge in the subject. You just need to speak a good level of English and have a willingness to learn.

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).

It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are fully funded by the Government for independent learners. Part of the price of a Skills Bootcamp may be required to be funded by the employer where an employer is upskilling one of their own employees.

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
