[OCSW DP14E41A Introduction to Education](#)

Course Description:

Gain a comprehensive introduction to the Education Sector in the UK, exploring its various roles, responsibilities, and career paths.

The Introduction to Education Sector workshop provides a valuable starting point for anyone interested in a rewarding career within the UK education system. This half-day program delves into the diverse landscape of education, covering various settings like schools, nurseries, and colleges.

Our engaging workshop explores the essential roles and responsibilities within the sector, equipping you with a foundational understanding of the day-to-day operations and complexities of educational institutions. Whether you aspire to become a teacher, support staff, volunteer, or carer, this workshop equips you with the necessary knowledge to confidently navigate the exciting world of education.

What will I learn:

- The Structure of the Education Sector in the UK: Gain insights into the different types of educational institutions, their governing bodies, and funding structures.
- Roles and Responsibilities: Explore the various roles within the education sector, from teaching assistance, support staff, volunteers, administrators to teachers.

- The Learning Journey: Understand the different stages of education, from early years to higher education, and the curriculum frameworks that guide learning.
- Essential Skills for Working in Education: Develop your communication, teamwork, and problem-solving skills – all crucial for success in any educational setting.
- Career Opportunities: Discover the diverse career paths available within the education sector and explore potential routes for professional development.

Who should join this course?

This course is suitable for anyone interested in understanding the education sector, including those considering a career in healthcare or looking to enhance their knowledge of the industry.

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713.

How will the course be delivered?

You will be working with your tutor and other learners face to face.

Will I need to practise outside the classroom?

As this is a one-day course, you may wish to think about the content before you attend.

How will I know I'm making progress?

At the beginning of the session, your tutor will share with you the objectives of the day, which will give you an opportunity to think about your individual aims for the session. At the end of the session, you will have time to share your experience and reflect on what you learned.

What will I need?

Please bring a notepad, and pen.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
