

Course Information Sheet

Dementia Care Level 2 Certificate

Course Description:

Support those living with dementia!

Make a difference for people with dementia! This Qualification will equip you with knowledge to improve quality of life and empower you to understand dementia, develop effective communication strategies, and provide high-quality care. You will explore the different types of dementia, communication techniques, and strategies for managing challenging behaviours.

Key areas covered include:

- Introduction to dementia, types, causes, and progression of the condition.
- Exploring communication strategies for people with dementia, both verbal and non-verbal.
- Learning to support emotional well-being, manage anxiety, and create a positive environment.
- Understanding dementia-friendly practices for activities of daily living and promoting independence.
- Exploring strategies for managing challenging behaviours, de-escalation techniques, and promoting safety.

Who should join this course?

This course is ideal for:

- Care workers and support workers
- Social care professionals
- Healthcare assistants
- Family members and anyone caring for someone with dementia

Entry Requirements

Previous level 1 maths and English achievement or demonstrating the ability to work at these levels is recommended

Progression Opportunities:

This course can serve as a stepping stone to further qualifications in health and social care, such as Level 3 in dementia care or specialist areas like managing challenging behaviours

How do I enrol?

To apply for this course online at www.oucoursesouthwest.co.uk and simply click on the 'How to Enrol' button and complete the Enrolment Form and one of our customer service team will be in touch or call to speak to one of our friendly Learning Advisors on 01752 660713. You will be invited to undertake an initial assessment to ascertain your levels of English and maths prior to entry on this course of study.

How will the course be delivered?

This is an **E-Learning course** and is exclusively delivered via an online learning, self-study programme. You will be enrolled for an online learning platform and will work independently through the units and materials provided.

Will I need to practise outside the classroom?

This is an E-learning course, and your study pattern is self-managed. A commitment of 2 - 3 hours per week is suggested to enable successful completion of the course within the timescale of 20 weeks.

How will I know I'm making progress?

You will receive regular feedback from an assessor following completion and submission of individual units.

What will I need?

A laptop or desktop computer with internet access is required for completion of coursework and home learning

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
