

# Course Information Sheet

## Pre Access in Supporting Teaching

Launch your journey in education with our Level 2 Supporting Teaching and Learning Certificate!

### **Course Description:**

This comprehensive Level 2 Certificate in Supporting Teaching and Learning provides the knowledge and skills to work effectively with children and young people in a school or college setting.

Over the course duration, you will delve into child development, positive behavior support, and professional communication in educational environments.

This qualification is ideal for those aspiring to work in teaching and learning support roles or seeking to enhance their skills for personal or professional development.

### **What You Will Learn:**

Understanding of schools and colleges as organizations.

Knowledge of child and young people development.

Safeguarding and child protection procedures.

Equality, diversity, and inclusion in education.

Building and maintaining relationships with children and young people.

Supporting health and safety, positive behavior, and teamwork.

Understanding play and leisure, and promoting an effective learning environment.

Providing displays and creating an effective learning environment.

**How You Will Be Assessed:**

A range of assessment methods, including observations, written assignments, and professional discussions.

**Who This Course Is For:**

Aspiring teaching assistants, learning support workers, or anyone interested in a career in education.

**Progression Opportunities:**

Level 3 Certificate or Diploma in Supporting Teaching and Learning, or direct employment in the education sector.

**Career or Job Enhancement Pathways:**

- \* Teaching Assistant
- \* Learning Support Worker
- \* Special Educational Needs (SEN) Support
- \* Classroom Assistant
