Course Description:

Introduction to Autism L2 Unit

Discover essential insights into autism with our Level 2 Unit, "Introduction to Autism." Over four sessions, gain foundational knowledge and practical strategies to support individuals on the autism spectrum.

Our "Introduction to Autism L2 Unit" offers a comprehensive overview of autism, focusing on key aspects such as understanding the characteristics of autism, recognizing the challenges faced by individuals on the spectrum, and learning effective support strategies. This course is designed for anyone interested in gaining a deeper understanding of autism, including educators, support staff, parents, and caregivers. Through four engaging sessions, participants will explore the complexities of autism, learn to implement supportive practices, and develop skills to create inclusive environments.
