## Natural Wall Hangings Workshop

### Course Summary:

Bring nature indoors and create beautiful wall hangings using foraged materials in our fun and eco-friendly Natural Wall Hangings Family Learning Workshop! This 2-hour workshop is perfect for families of all ages.

### Course Description:

Our Natural Wall Hangings Family Learning Workshop is a unique opportunity to explore the beauty of nature and create one-of-a-kind wall hangings for your home. This 2-hour workshop is designed for families with children of all ages and will be led by experienced craft facilitators who are passionate about sustainable crafts.

During the workshop, families will embark on a short nature walk to gather natural materials, such as leaves, twigs, and flowers. They will then learn how to use these materials to create beautiful and sustainable wall hangings. We will provide all the additional materials you need, such as string, twine, and glue. No prior crafting experience is necessary!

### What will I learn?

- How to identify and collect natural materials for crafting
- Sustainable crafting practices
- Different techniques for creating wall hangings with natural materials
- The importance of appreciating and respecting nature

### How will I be assessed?

This workshop is designed to be a fun and engaging experience for the whole family. There are no formal assessments; however, our facilitators will be on hand to provide guidance and support throughout the workshop.

### Who is this course for?

This course is perfect for families with children of all ages who are looking for a fun, creative, and eco-friendly activity to do together.

### Target Audience:

This workshop is ideal for parents, carers, and grandparents looking for a unique and educational activity to do with their children. It is also a great option for homeschool groups and environmental clubs.

### **How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

### **Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

### **How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

### **What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

**Please note:**

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA).

It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
