

Course Information Sheet

Recycled Sea Creatures Workshop

Course Summary:

Unleash your creativity and raise awareness about ocean conservation in this fun, 2-hour family workshop! Learn how to craft amazing sea creatures using everyday recycled materials.

Course Description:

Our interactive Recycled Sea Creatures Family Learning Workshop is the perfect way to spend quality time with your family while learning valuable environmental lessons. This 2-hour workshop is designed for families with children of all ages and will be led by experienced educators who are passionate about marine conservation.

During the workshop, you and your family will learn about the plight of sea creatures affected by plastic pollution in our oceans. We will then delve into the world of creative reuse, transforming everyday recycled materials into magnificent sea creatures. The workshop will provide all the materials you need, and no prior artistic experience is necessary!

What will I learn?

- The impact of plastic pollution on sea creatures
- Fun facts about different sea creatures and their habitats
- Creative reuse techniques for transforming everyday recycled materials into works of art
- Collaborative art-making skills

How will I be assessed?

This workshop is designed to be a fun and informative experience for the whole family. There are no formal assessments; however, our facilitators will be on hand to provide guidance and support throughout the workshop.

Who is this course for?

This course is perfect for families with children of all ages. No prior artistic experience is necessary!

Target Audience:

This workshop is ideal for parents, carers, and grandparents looking for a fun and educational activity to do with their children. It is also a great option for homeschool groups, scout troops, and other community organizations.

How will the course be delivered?

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

Will I need to practise outside the classroom?

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

How will I know I'm making progress?

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

What will I need?

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

Please note:

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
