

# Course Information Sheet

## Tie Dying Workshop

**Course Summary:** Create vibrant, one-of-a-kind tie-dye masterpieces in this fun and creative workshop for parents and children.

**Course Description:** Calling all creative minds! This exciting tie-dye workshop is the perfect opportunity for parents and children to bond over a fun and artistic activity. Led by an experienced instructor, you'll learn all the tricks of the trade, from colour selection and fabric preparation to a variety of classic tie-dye techniques like shibori and spiral designs. Get ready to unleash your inner artist and transform plain white t-shirts, socks, or tote bags into colourful wearable art – all in a single session!

### What will I learn?

- The history and science behind tie-dye
- Different tie-dye methods and their effects
- Colour theory for creating vibrant colour combinations
- Fabric preparation techniques to achieve optimal dye results
- Safe handling of dyes

### How will I be assessed?

This workshop is designed for enjoyment and exploration. Your success will be measured by your participation, creativity, and the unique tie-dye masterpieces you create!

### Who is this course for?

This course is perfect for parents and carers and their children aged 6 and above. No prior artistic experience is necessary – just bring your enthusiasm and get ready to have some fun!

### Progression Opportunities:

After completing this workshop, you can continue exploring textiles and dyeing techniques with more advanced courses in fabric painting, screen printing, or natural dyes. There are also numerous online resources and tutorials available to help you further develop your skills.

### Career or Job Enhancement Pathways:

This tie-dye workshop can be a stepping stone towards various creative careers, such as:

- Fashion Designer
- Textile Artist
- Craft Business Owner
- Art Therapist (working with children)

**How do I enrol?**

The quickest way to enrol is online at [www.oucoursesouthwest.co.uk](http://www.oucoursesouthwest.co.uk), simply create an account and select 'Enrol now'. Alternatively, if you have any questions, please call our friendly customer service team on 01752 660713.

**How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

**Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

**How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

**What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

**Please note:**

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
