

# Course Information Sheet

## Family Easter Treasure Hunt

### Course Summary:

Embark on an adventure with your child, solving puzzles and learning new skills in our exciting Easter Treasure Hunt! Parents/carers can bring up to two children per adult, and children must be a minimum of 6 years old and a maximum of 18 years old. Upon completion of your enrolment form, an additional short form will be sent to you to confirm childrens' names and ages prior to attending.

### Course Description:

Calling all explorers! Join us for an Easter Treasure Hunt, an interactive course designed for parents and children to learn and bond together. Through a series of creative challenges and puzzles, you and your child will develop problem-solving skills, communication, and teamwork in a fun and summery environment.

### What will I learn?

- Decoding secrets and following clues: Learn basic code-breaking techniques and map reading skills to decipher clues and navigate your treasure hunt adventure.

### How will I be assessed?

- Formative: Participation in challenges, teamwork, and creative problem-solving will be continuously assessed throughout the week.
- Summative: Completing the final treasure hunt challenge will demonstrate acquired skills.

### Progression Opportunities:

After completing the Treasure Hunt, families can explore more problem-solving activities and code-breaking challenges online. Additionally, many libraries and community centres host coding clubs and workshops that children can participate in to delve deeper into this field.

Calling all families! Join our Treasure Hunt, where parents and children work together to solve puzzles, develop problem-solving skills, and bond through creative challenges. Learn basic code-breaking and map reading, navigate clues, and embark on an adventure! This course is perfect for families who want to have fun and learn together

### How do I enrol?

The quickest way to enrol is online at [www.oucoursesouthwest.co.uk](http://www.oucoursesouthwest.co.uk), simply create an account and select 'Enrol now'. Alternatively, if you have any questions, please call our friendly customer service team on 01752 660713.

#### **How will the course be delivered?**

This is a practical course, and the sessions will include tutor-led demonstrations, learner-led group activities, instruction and repetition. These will form part of the delivery together with one-to-one support as required.

#### **Will I need to practise outside the classroom?**

You will be encouraged to review your notes between lessons to ensure maximum benefit from your course. It is always useful to practise your skills between sessions. Your tutor may encourage home learning, or independent research.

#### **How will I know I'm making progress?**

During the first session, your tutor will discuss your goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your individual learning plan.

#### **What will I need?**

Please bring a notepad, and pen to each session. You may wish to bring a file for any handouts. A laptop with internet access is required for completion of coursework and home learning outside of the classroom.

#### **Please note:**

Most courses attract a subsidy from the Education and Skills Funding Agency (ESFA). It is a requirement of the ESFA that you complete various forms at different stages of your course, further information is available on request. Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases, an alternative class at a different location may be offered.
